# SARATOGA AUTOMOBILE MUSEUM

*is your key to the exciting world of automobiles*

And whether you are a child or an adult, a man or a woman, there is a world of fun and learning available at the Saratoga Automobile Museum. This is your invitation to become a part of our family.

Join the growing number of members who are celebrating our automotive heritage at the Saratoga Automotive Museum—the hub for all things automotive. It is your center for special events, programs,

exhibits, car shows and rallies, and major automotive competitions.

Your membership is your key to receive special invitations to join in all the automotive action.

Membership brings you a wide range of benefits and provides support to allow the Museum to bring you even more. With membership support we can host lectures, events with noted experts, educational programs for our youth, and offer changing exhibits – that means

more cars from around the country brought together under one roof for your enjoyment. By joining, you are helping to share and celebrate our automotive history with others.

The Board of Trustees and staff thank you for considering joining the Saratoga Automobile Museum as a member. To acknowledge your generosity, the benefits on the reverse side are provided for you.

*It's not just  
any membership.*
